

POOLS MADE EASY

One of Victoria's largest stone importer and distributor; multiple award of excellence winner since 2013; and proud sponsor of SPASA Victoria.

Customized Pool

Kidney shaped full curved pools can be much more labour intensive. Utilising our templating and site measuring technology, along with our state-of-the-art local processing facility, we can produce curved pool coping with absolute ease!

Our Local Processing

Our local Stone masons are highly skilled in curving stone for curved swimming pools. With a lead time of 10-12 weeks this gives the pool builder time to organise the rest of the pool installation. (raw materials inspection if requested).

Local Stock

SAI's proud of our local storage capacity. With more than 6,000 lm of coping in stock SAI is all your needs covered, you can count on us.
